THE IRONMAN FOUNDATION

The IRONMAN Foundation was established in 2003 as a way for IRONMAN to leave a little piece of legacy behind in communities where we hold our events. The mission of The IRONMAN Foundation is to leave Ironman's legacy through philanthropy, volunteerism and grant making; by supporting various athletic, community, education, health, human services and public benefit non-profit organizations around the world. Athletes racing at IRONMAN Lake Placid in support of The IRONMAN Foundation can be seen wearing race bibs with black floods. For more information about The IRONMAN Foundation and how you can support your race community, visit IRONMANFOUNDATION.ORG.
